

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aristeo Naval
DOCKET NO.: 18-31192.001-R-1
PARCEL NO.: 15-33-332-004-0000

The parties of record before the Property Tax Appeal Board are Aristeo Naval, the appellant, by attorney Ellen G. Berkshire, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,486
IMPR.: \$33,810
TOTAL: \$39,296

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,470 square feet of living area. The dwelling is approximately 60 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, and a 2-car garage. The property has a 6,650 square foot site located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are improved with class 2-03 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,376 to 1,716 square feet of living area. The dwellings range in age from

61 to 63 years old. Three comparables have partial or full unfinished basements, and one comparable has a concrete slab foundation. Three comparables each have central air conditioning, two comparables have one or two fireplaces, and each comparable has a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$23,357 to \$30,322 or from \$15.27 to \$19.06 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$25,784 or \$17.54 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,296. The subject property has an improvement assessment of \$33,810 or \$23.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are improved with class 2-03, 1-story or 1.5-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,324 to 1,540 square feet of living area. The dwellings range in age from 62 to 76 years old and have full basements, three of which have finished area. Three comparables each have central air conditioning, two comparables have one or two fireplaces, and each comparable has a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$31,895 to \$37,600 or from \$24.09 to \$25.05 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 due to their larger dwelling size or lack of a basement when compared to the subject. The Board also gives less weight to the board of review comparables #1, #3 and #4 due to their dissimilar design, older age, and/or finished basement when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are similar to the subject in age, dwelling size, foundation, and some features. These three comparables have improvement assessments ranging from \$23,357 to \$35,073 or from \$15.27 to \$25.05 per square foot of living area. The subject's improvement assessment of \$33,810 or \$23.00 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
