

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim O'Kane  
DOCKET NO.: 18-31237.001-R-1  
PARCEL NO.: 13-04-215-046-0000

The parties of record before the Property Tax Appeal Board are Jim O'Kane, the appellant, by attorney Spiro Zarkos, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,437  
**IMPR.:** \$61,562  
**TOTAL:** \$69,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 3,157 square feet of living area. The dwelling is approximately 77 years old. Features of the dwelling include a full finished basement, central air conditioning, one fireplace, and a one-car garage. The property has a 6,250 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property and from .3 to 2.4 miles from the subject property. The comparables are improved with class 2-06 dwellings of masonry exterior construction ranging in size from 2,879 to 3,060 square feet of

living area. The dwellings range in age from 63 to 78 years old and have full basements, one of which has finished area. Two comparables each have central air conditioning, and three comparables each have a fireplace. The comparables have either a one-car or a two-car garage. The comparables have improvement assessments ranging from \$37,526 to \$45,699 or from \$12.56 to \$14.93 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$44,230 or \$14.01 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,999. The subject property has an improvement assessment of \$61,562 or \$19.50 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject and a .25 of a mile from the subject property. The comparables are improved with class 2-06, two-story dwellings of masonry exterior construction ranging in size from 2,384 to 2,904 square feet of living area. The dwellings range in age from 70 to 78 years old and have full basements, three of which have finished area. The comparables each have central air conditioning, one or two fireplaces, and from a one-car to a three-car garage. The comparables have improvement assessments ranging from \$54,844 to \$62,393 or from \$21.49 to \$24.05 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #3 because their location is more than a mile away from the subject property. The Board also gives less weight to the board of review comparable #1 due to its smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are similar to the subject in location, age, dwelling size, foundation, and most features. These four comparables have improvement assessments ranging from \$45,699 to \$62,393 or from \$14.93 to \$24.05 per square foot of living area. The subject's improvement assessment of \$61,562 or \$19.50 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
