

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim Schuerman
DOCKET NO.: 18-31254.001-R-1
PARCEL NO.: 13-04-211-016-0000

The parties of record before the Property Tax Appeal Board are Jim Schuerman, the appellant, by attorney Spiro Zarkos, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,494
IMPR.: \$63,859
TOTAL: \$74,353

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,414 square feet of living area. The dwelling is approximately 69 years old. Features of the dwelling include a partial basement with finished area, central air conditioning, a fireplace, and a one-car garage. The property has a 7,774 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-06 dwellings of frame or frame and masonry exterior construction ranging in size from 2,303 to 4,139 square feet of living area. The dwellings range

in age from 63 to 95 years old and have partial or full basements, two of which have finished area. Three comparables each have central air conditioning, one comparable has two fireplaces, and two comparables each have a two-car garage. The comparables have improvement assessments ranging from \$26,502 to \$63,039 or from \$7.68 to \$15.63 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$42,709 or \$12.51 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,353. The subject property has an improvement assessment of \$63,859 or \$18.71 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-06, two-story dwellings of frame or masonry exterior construction ranging in size from 2,209 to 3,239 square feet of living area. The dwellings range in age from 63 to 104 years old. Three comparables each have a full unfinished basement, and one comparable has a concrete slab foundation. Three comparables each have central air conditioning, three comparables each have one or two fireplaces, and each comparable has a one-car or a two-car garage. The comparables have improvement assessments ranging from \$42,479 to \$63,275 or from \$18.72 to \$20.26 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b) The Board finds the evidence in the record does not support a reduction in the subject's assessment.

The parties submitted a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 as well as the board of review comparables #1 and #4 which differ from the subject in dwelling size and/or age when compared to the subject. The Board gives less weight to the board of review comparable #3 which lacks a basement, unlike the subject. Additionally, the Board gives less weight to the appellant's comparable #1 as its improvement assessment appears to be an outlier relative to the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are more similar to the subject in both dwelling size and age but have a full basement, only one of which is finished like the subject. These two comparables have improvement assessments of \$15.63 and \$20.26 per square foot of living area. The subject's improvement assessment of \$18.71 per square foot of living area is bracketed by the two most similar comparables in this record on a per-square-foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant

did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
