

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Garcia
DOCKET NO.: 18-31279.001-R-1
PARCEL NO.: 14-18-121-021-0000

The parties of record before the Property Tax Appeal Board are Mark Garcia, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,366
IMPR.: \$99,194
TOTAL: \$119,560

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family building of masonry exterior construction with 7,125 square feet of building area. The building is approximately 97 years old. Features of the building include a full unfinished basement and a 2.5-car garage. The property has a 4,243 square foot site located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with three-story, class 2-11, multi-family buildings of masonry exterior construction ranging in size from 6,291 to 6,852 square feet of building area. The

buildings range in age from 102 to 118 years old. The comparables have full unfinished basements. One comparable has a 2-car garage. The comparables have improvement assessments ranging from \$75,462 to \$84,280 or from \$11.99 to \$12.30 per square foot of building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$85,500 or \$12.00 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$119,560. The subject property has an improvement assessment of \$99,194 or \$13.92 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story or three-story, class 2-11, multi-family buildings of masonry exterior construction ranging in size from 4,996 to 7,926 square feet of building area. The buildings range in age from 7 to 110 years old. One comparable has a concrete slab foundation, and three comparables have full basements, one of which has finished area. Two comparables each have central air conditioning, and two comparables have either a 3-car or a 3.5-car garage. The comparables have improvement assessments ranging from \$89,925 to \$123,078 or from \$14.26 to \$18.40 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the board of review comparables #2 through #4 due to significant differences in their building size or age when compared to the subject. In addition, the board of review comparable #2 lacks a basement, unlike the subject which has a full unfinished basement.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review comparable #1 because these comparables are similar to the subject in age, building size, and foundation. These comparables have improvement assessments ranging from \$75,462 to \$113,032 or from \$11.99 to \$14.26 per square foot of building area. The subject's improvement assessment of \$99,194 or \$13.92 per square foot of building area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
