

# FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

 APPELLANT:
 Megara Properties, LLC - Series 3

 DOCKET NO.:
 18-31360.001-R-1

 PARCEL NO.:
 14-29-131-036-0000

The parties of record before the Property Tax Appeal Board are Megara Properties, LLC - Series 3, the appellant(s), by attorney Alexia Katsaros, of Katsaros Law, P.C. in Western Springs; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>*A Reduction*</u> in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$16,972
IMPR.:	\$55,028
TOTAL:	\$72,000

Subject only to the State multiplier as applicable.

#### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

#### **Findings of Fact**

The subject property consists of a parcel of land improved with a 130-year-old, two-story, frame and masonry, mixed-use building containing 3,589 square feet of building area. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal which estimated the subject's market value as of January 1, 2018 of \$720,000. The appraiser utilized the income and sales comparison approaches to value to estimate the subject's market value. The appellant acknowledges that the appraisal covers four parcels but requested that the full value of the appraisal be placed on the one parcel under appeal which is the parcel that contains the improvement.

The board of review submitted its "Board of Review Notes on Appeal" for a different property. The subject has an assessment of \$77,840 which reflects a market value of \$778,400 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. In support of the current assessment, the board of review submitted two sales comparables.

#### **Conclusion of Law**

As to the appellant's rebuttal percentage increase argument, the Board finds the cornerstone of uniformity in assessment is the fair market value of the property. <u>Kankakee County Board of Review v. Property Tax Appeal Board</u>, 131 Ill.2d 1 (1989). Unequal treatment in the assessment process is demonstrated when properties of similar market values are assessed at substantially different levels. The mere contention that assessments among neighboring properties changed from one year to the next at different rates does not demonstrate that the properties are assessed at substantially different levels of fair market value. Therefore, the Board finds the appellant's argument unpersuasive.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The appellant's appraiser utilized the income and sales comparison approaches to value in determining the subject's market value. The Board finds this appraisal to be persuasive because the appraisal discloses that the appraiser inspected the subject, reviewed the property's history, and used similar properties in the sales comparison approach while providing adjustments that were necessary. Therefore, the Board finds the subject property had a market value of \$720,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
