

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Demetrios Rizos
DOCKET NO.: 18-31458.001-R-1
PARCEL NO.: 03-24-313-006-0000

The parties of record before the Property Tax Appeal Board are Demetrios Rizos, the appellant, by attorney Spiro Zarkos, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,550
IMPR.: \$17,200
TOTAL: \$21,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction with 1,903 square feet of living area. The dwelling is approximately 48 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace, and a two-car garage. The property has a 9,100 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that are located within the same assessment neighborhood code as the subject property. The comparables have varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$17,204 to \$29,416 or from \$8.90

to \$9.91 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$17,869 or \$9.39 per square foot of living area.

The Property Tax Appeal Board takes notice that the subject property was the subject matter of an appeal before the Board the prior year under Docket No. 17-30277.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$21,750 based on the evidence of record. Furthermore, the appellant indicated on the appeal petition that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,358. The subject property has an improvement assessment of \$21,808 or \$11.46 per square foot of living area. The notes on appeal also disclosed that the 2016 tax year was the first year of the assessment period for Wheeling Township.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables have varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$23,407 to \$25,684 or from \$12.30 to \$13.50 per square of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2017 tax year of \$21,750 should be carried forward to the 2018 tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board finds the Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
