DOCKET NO.: 18-31881.001-R-1 through 18-31881.004-R-1

The parties of record before the Property Tax Appeal Board are 2741 W. Winnemac Ave 2741 West Winnemac Ave. Condo.Associatio, the appellant(s), by attorney Spiro Zarkos, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of four condominium units located within a 15-year-old, multi-story, masonry, four-unit, condominium building. The subject is located in Chicago, Jefferson Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant included sales information on three individual units within condominium buildings located within one-half mile of the subject. These properties sold from September 2016 to June

2018 for prices ranging from \$194,000 to \$222,000. The appellant's evidence does not include the comparables' exact square footage or percentage of ownership.

The board of review submitted a "Board of Review-Notes on Appeal" which disclosed the total assessment for the subject of \$116,231. The subject's assessment reflects a market value of \$1,162,310 when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on the sale of one unit within the subject's building, parcel number ending in (PIN) -1004, which is under appeal and sold in August 2017 for a price of \$340,000. The board then divided this by the percentage of ownership of the unit sold of 26.9% to arrive at a value for the building of \$1,263,940.

Conclusion of Law

The taxpayer contends overvaluation as the basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be all the sales with the most emphasis given to the board of review's sale which is one of the subjects. These comparables sold from 2016 to 2018 for prices ranging from \$194,000 to \$340,000. In comparison, the subject unit units ending in PIN -1004 which sold for \$340,000 has an assessment of \$31,265 which reflects a market value below this sale price. Moreover, the remaining subject units have assessments which reflect market values from \$226,650 to \$311,500 which are within the range of the best comparables in the record and below the sale price of the sold unit within the subject's building. Therefore, the Board finds the appellant failed to show by a preponderance of the evidence that the subject property was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
