

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-31967.001-R-1
PARCEL NO.: 27-24-204-021-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,835
IMPR.: \$13,456
TOTAL: \$16,291

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 1,167 square feet of living area. The dwelling is approximately 48 years old. Features of the home include a partial basement with finished area, central air conditioning and a one-car garage. The property has a 7,562 square foot site and is located in Tinley Park, Orland Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with class 2-03 dwellings of frame and masonry exterior construction with either 1,719 or 1,740 square feet of living area that are either 46 or 47 years old. Three

comparables each have a crawl space foundation and one comparable has an unfinished partial basement. Three comparables each have central air conditioning, one comparable has one fireplace, and each comparable has a two-car garage. The comparables have improvement assessments that range from \$17,798 to \$18,092 or from \$10.35 to \$10.52 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$12,183 or \$10.44 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,291. The subject property has an improvement assessment of \$13,456 or \$11.53 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code and the same block as the subject property. The comparables are improved with either one-story class 2-03 or two-story class 2-07 dwellings of frame or frame and masonry exterior construction ranging in size from 1,120 to 1,656 square feet of living area that are either 45 or 48 years old. One comparable has a crawl space foundation and three comparables each have a full or partial basement with finished area. Two comparables each have central air conditioning, and each comparable has a two-car garage. The comparables have improvement assessments that range from \$15,030 to \$19,279 or from \$11.64 to \$16.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the evidence in the record does not support a reduction in the subject's assessment.

The parties provided eight suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables and the board of review comparable #4 due to their larger dwelling sizes and/or lack of a basement when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1, #2 and #3 which are similar to the subject in age, dwelling size, foundation and some features as well as being located on the same block as the subject. These comparables have improvement assessments ranging from \$15,030 to \$18,566 or from \$13.40 to \$16.58 per square foot of living area. The subject's improvement assessment of \$13,456 or \$11.53 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the record does not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
