

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Manthey
DOCKET NO.: 18-32587.001-R-1 through 18-32587.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Debra Manthey, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-32587.001-R-1	14-29-320-045-1001	6,528	32,634	\$ 39,162
18-32587.002-R-1	14-29-320-045-1005	1,389	6,949	\$ 8,338

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of two condominium units with a 28.20% ownership interest in the common elements. The property is located in Lakeview Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject had a market value of \$475,000 as of January 1, 2018. The appraisal states that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$47,500.

The board of review submitted its “Board of Review Notes on Appeal” disclosing the total assessment for the subject of \$57,048. The subject’s assessment reflects a market value of \$570,480 when applying the 2018 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of the subject’s assessment, the board of review submitted a memorandum showing that two units in the subject’s building, or 47.90% of ownership, sold between September 2016 and March 2017 for an aggregate sale price of \$1,020,000. An adjustment factor of 6.00% was deducted from the aggregate sale price to account for personal property. The aggregate sale price, less the personal property deduction, was then divided by the percentage of interest of the units sold to arrive at a total market value for the building of \$2,022,964. The subject’s percentage of ownership was then utilized to arrive at a total market value for the subject of \$670,476.

In rebuttal, the appellant argued that the sale information for the sale comparables submitted by the board of review was merely raw sales data.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject’s assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject’s assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$475,000 as of the assessment date at issue. Since market value has been established the 2018 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
