

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jong P Kang
DOCKET NO.: 18-32905.001-C-1 through 18-32905.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jong P Kang, the appellant, by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-32905.001-C-1	13-01-312-006-0000	16,875	1,380	\$18,255
18-32905.002-C-1	13-01-312-007-0000	16,875	26,120	\$42,995

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 59-year-old, one-story, multi-tenant, commercial building of masonry construction with 3,730 square feet of building area. The property has a 5,400 square foot site and is located in Chicago, Jefferson Township, Cook County. The property is a class 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$245,000 as of January 1, 2018.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,990. The subject's assessment reflects a market value of

\$343,960 or \$92.21 per square foot of building area, including land, when applying the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25%.

Although the board of review sought and received an extension of time until December 1, 2020, to file its evidence, it did not submit any evidence prior to this deadline. The matter was set for a hearing before an ALJ on May 30, 2023. On May 30, 2023, however, the parties entered into a written agreement to waive the hearing and have the matter decided on the evidence that had been submitted.

In written rebuttal, the appellant argued that the board of review did not submit evidence in conjunction with its “Notes on Appeal.” The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

As the board of review submitted no evidence, this Board finds the best and only evidence of market value to be the appraisal submitted by the appellant. That appraisal employed the sales comparison and income capitalization approach relying upon five suggested comparables each. The appraisal stated that the sale prices and rental income of the suggested comparable properties were adjusted to account for differences between them and the subject and the appraiser determined that the subject's market value was \$245,000. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$245,000 as of the assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
