

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Turek
DOCKET NO.: 18-32994.001-R-1
PARCEL NO.: 03-22-106-020-0000

The parties of record before the Property Tax Appeal Board are Anthony Turek, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,389
IMPR.: \$30,811
TOTAL: \$37,200

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 31,947 square foot parcel of land improved with a 19-year-old, two-story, frame, single-family dwelling containing 2,521 square feet of building area. The property is located in Prospect Heights, Wheeling Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant's petition asserts the purchase of the subject on August 14, 2018 for \$372,000. The appellant also included five equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$41,582 which reflects a market value of \$415,820 using the Cook County

Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four sales comparables. These properties are described as two-story, frame or frame and masonry, single-family dwelling. They range in age from 19 to 50 years old and contain from 2,132 to 2,566 square feet of building area. They sold from July 2017 to November 2018 for prices ranging from \$174.46 to \$253.28 per square foot of building area. The board of review also lists the sale of the subject in August 2018 for \$372,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in August 2018 for a price of \$372,000. The appellant argued the of the sale of the subject supports a reduction. The board of review did not challenge the arm's-length nature of the transaction and, in fact, listed the sale in its evidence. Based on this record the Board finds the subject property had a market value of \$372,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board further finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
