

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill White
DOCKET NO.: 18-33581.001-R-1
PARCEL NO.: 14-19-433-042-1002

The parties of record before the Property Tax Appeal Board are Bill White, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,288
IMPR.: \$33,752
TOTAL: \$38,040

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit within a 17-year-old, multi-story, masonry, four-unit condominium building. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant included sales information on three units within the subject's building that sold in 2016 for a total of \$1,273,000. The appellant deducted 10% from this value for personal property for an adjusted value of \$1,145,700. The appellant divided this value by the percentage of ownership of the units sold of 88% to arrive at a value for the building of \$1,301,932. This value was then

multiplied by the percentage of ownership of the unit under appeal of 26.8% to arrive at its value of \$348,918. One of the three sales submitted was the sale of the subject for \$403,000.

The board of review submitted a condominium analysis results for 2018 report. The subject's assessment is \$38,152. The subject's assessment reflects a market value for all the appealed units of \$381,520 when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted the sales of three units located within the subject building in 2016 for a total value of \$1,291,500. The board of review applied an adjustment factor of 3% to arrive at an adjusted value of \$1,252,755. This value was divided by the unit's percentage of ownership of 88% to arrive at a value for the building of \$1,423,585. One of the sales submitted by the board of review was the sale of the subject in 2016 for \$421,500.

Conclusion of Law

The taxpayer contends overvaluation as the basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the sales submitted by the appellant. The appellant included multiple listing database printouts to support these sale prices. These units sold for a total of \$1,273,000. The Board gives no weight to the adjustment factors submitted by the parties as there is no evidence to support this. Dividing \$1,273,000 by the percentage of ownership of the units sold of 88% arrives at a value for the building of \$1,446,591. Multiplying this value by the subject's percentage of ownership of 26.8% reflects a value for the subject of \$387,686. The subject's current assessment reflects a market value of \$381,520 which is below the value as established by the sales. Moreover, the sale of the subject for \$403,000 is also below this market value. Therefore, the Board finds the appellant failed to show by a preponderance of the evidence that the subject property was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
