

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andy Xerikos
DOCKET NO.: 18-33668.001-R-1
PARCEL NO.: 12-26-426-003-0000

The parties of record before the Property Tax Appeal Board are Andy Xerikos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,458
IMPR.: \$8,993
TOTAL: \$12,451

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,012 square feet of living area. The dwelling is approximately 90 years old. Features of the home include a crawl space foundation and a one-car garage. The property has a 5,320 square foot site and is located in River Grove, Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-33512.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$12,451. In its submission, the board of review reported that 2016 was the beginning of the subject's general assessment cycle.

For this 2018 tax year appeal, the appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables have varying degrees of similarity to the subject in terms of age, dwelling size and features. The comparables sold from January to October 2017 for prices ranging from \$120,000 to \$230,000 or from \$117.99 to \$135.01 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$13,080.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,094. The subject's assessment reflects a market value of \$150,940 or \$149.15 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.25 of a mile from the subject and located in the same neighborhood code as the subject property. The comparables have varying degrees of similarity to the subject in terms of age, dwelling size and foundation. The comparables sold from July 2017 to November 2018 for prices ranging from \$176,000 to \$273,000 or from \$152.19 to \$199.06 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for the prior tax year under Docket Number 17-33512.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$12,451. The board of review reported that Leyden Township's triennial general assessment period began in the 2016 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the appellant's appeal form indicated the property is an owner-occupied residence and the record reveals that the 2016 through 2018 tax years are within the same general assessment period for Leyden Township. There was no evidence the subject property sold in an arm's length transaction establishing a different fair cash value. For these reasons, the Property

Tax Appeal Board finds that the prior year's decision should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
