

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tomasz Koziol
DOCKET NO.: 18-33682.001-R-1
PARCEL NO.: 12-21-304-066-0000

The parties of record before the Property Tax Appeal Board are Tomasz Koziol, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,557
IMPR.: \$13,013
TOTAL: \$15,570

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with 1,128 square feet of living area of masonry exterior construction. The dwelling is approximately 53 years old. Features of the home include an unfinished partial basement and a 1-car garage. The property has a 4,650 square foot site and is located in Franklin Park, Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-33515.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$15,570. In its submission, the board of review reported that 2016 was the beginning of the subject's general assessment cycle.

The appellant contends both overvaluation and assessment inequity with respect to the improvement assessment as the bases of the appeal. In support of the overvaluation argument, the appellant submitted four comparable sales located in the subject's neighborhood code and have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from September 2017 to September 2018 for prices ranging from \$90.08 to \$123.62 per square foot of living area, land included.¹

In support of the inequity argument, the appellant submitted information on seven equity comparables located within 0.14 of a mile from the subject property and having varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables have improvement assessments ranging from \$10,940 to \$15,195 or from \$10.10 to \$11.57 per square foot of living area.

Based on this evidence, the appellant requested the subject's total assessment be reduced to \$13,795. The requested assessment reflects a total market value of \$137,950 or \$122.30 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The request would lower the subject's improvement assessment to \$11,238 or \$9.96 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,221. The subject's assessment reflects a market value of \$172,210 or \$152.67 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The subject has an improvement assessment of \$14,664 or \$13.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparable properties located in the same neighborhood code as the subject and within 0.25 of a mile from the subject property. The comparables have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from June 2016 to September 2018 for prices ranging from \$179,900 to \$251,000 or from \$165.35 to \$249.75 per square foot of living area, land included. The comparables have improvement assessments ranging from \$14,217 to \$17,088 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185

¹ The appellant's submission did not contain sale prices for their comparable sales.

of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for a prior tax year under Docket Number 17-33515.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$15,570. The Property Tax Appeal Board takes notice that Leyden Township's triennial general assessment period began in the 2016 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the appellant's appeal form indicated the property is an owner-occupied residence and that the 2016 through 2018 tax years are within the same general assessment period for Leyden Township. The record contains no evidence showing the Board's 2017 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's length transaction establishing a different fair cash value. For these reasons, the Property Tax Appeal Board finds that the prior year's decision should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
