

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Franciszek Tomczyk  
DOCKET NO.: 18-34146.001-R-1  
PARCEL NO.: 03-10-307-026-0000

The parties of record before the Property Tax Appeal Board are Franciszek Tomczyk, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,680  
**IMPR.:** \$23,483  
**TOTAL:** \$28,163

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,325 square feet of living area. The dwelling is approximately 32 years old. Features of the property include an unfinished full basement, central air conditioning, one fireplace and a two-car garage. The property has a 7,200 square foot site and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,088 to 2,467 square feet of living area. The dwellings are

either 32 or 40 years old. Each comparable has an unfinished full basement, central air conditioning, one fireplace and a two-car garage. The comparables have improvement assessments ranging from \$19,961 to \$23,782 or from \$9.56 to \$9.75 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$22,436 or \$9.65 per square foot of living area.

The appellant submitted a copy of the 2018 final decision issued by the Cook County Board of Review disclosing the total assessment for the subject of \$28,163. The appellant reported the subject's improvement assessment in the appeal petition to be \$23,483 or \$10.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" for a different parcel than the subject. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with two-story class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,325 to 2,686 square feet of living area. The dwellings are either 32 or 37 years old. Each comparable has an unfinished full basement, one fireplace and a two-car garage. Three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$28,860 to \$30,763 or from \$11.45 to \$12.55 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable properties for the Board's consideration. The Board gave less weight to the appellant's comparable #1 and the board of review comparable #1 due to their dissimilar dwelling sizes when compared to the subject. The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in age, dwelling size and features. The Board gives most weight to the board of review comparable #2 which is located in the same block as the subject and identical to the subject in age, dwelling size and amenities. These comparables have improvement assessments ranging from \$22,698 to \$29,296 or from \$9.64 to \$12.55 per square foot of living area. The subject's improvement assessment of \$23,483 or \$10.10 per square foot of living area falls within the range established by the best comparables in this record. Additionally, the subject's assessment falls below the comparable given the most weight. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
