

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

OAPPELLANT: Thomas Voss  
DOCKET NO.: 18-34149.001-R-1  
PARCEL NO.: 27-32-104-011-0000

The parties of record before the Property Tax Appeal Board are Thomas Voss, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,879  
**IMPR.:** \$44,290  
**TOTAL:** \$53,169

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 4,191 square feet of living area. The dwelling is approximately 19 years old. Features of the property include an unfinished full basement, central air conditioning, one fireplace and a three-car garage. The property has a 16,913 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the as the basis of the appeal. In support of the improvement assessment inequity argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with class 2-08 dwellings of masonry exterior construction ranging in size from 3,921 to 4,737 square feet of living area. The

dwellings are each 16 years old. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning, one or three fireplaces and a three-car or a four-car garage. The comparables have improvement assessments ranging from \$27,589 to \$46,378 and either \$7.04 or \$9.79 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$37,174 or \$8.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$53,169. The subject property has an improvement assessment of \$44,290 or \$10.57 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with two-story class 2-08 dwellings of masonry or frame and masonry exterior construction ranging in size from 3,907 to 4,194 square feet of living area. The dwellings range in age from 4 to 16 years old. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning, one fireplace and a three-car garage. The comparables have improvement assessments ranging from \$44,322 to \$48,397 or from \$10.57 to \$12.15 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable properties for the Board's consideration. The Board gave less weight to the appellant's comparable #1 as it appears to be an outlier with a significantly lower improvement assessment than the subject and other comparables in the record. The Board gives less weight to the appellant's comparables #2 and #3, as well as the board of review comparables #1 and #2 due to their newer age, larger dwelling size and/or finished basement areas when compared to the subject. The Board finds the best evidence of assessment equity to be the board of review's comparables #3 and #4 which are similar to the subject in age, dwelling size and features. These comparables have improvement assessments of \$44,322 and \$47,895 or \$10.57 and \$11.42 per square foot of living area, respectively. The subject's improvement assessment of \$44,290 or \$10.57 per square foot of living area falls slightly below the assessments of the two best comparables in this record on an overall basis and is identical to board of review comparable #3 on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
