

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nick Lolos
DOCKET NO.: 18-34481.001-R-1
PARCEL NO.: 14-29-404-027-0000

The parties of record before the Property Tax Appeal Board are Nick Lolos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,500
IMPR.: \$53,355
TOTAL: \$66,855

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year after receiving a decision from the Cook County Board of Review. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, frame dwelling with 2,146 square feet of living area. The dwelling is 122 years old and is situated on a 1,875 square foot parcel of land. It is located in Lakeview Township, Cook County and is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The appellant stated the subject property is not owner-occupied.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased from Donald and Robert Sanetra on November 17, 2017 for a price of \$500,000. The evidence indicated the property was not advertised for sale on the open market and was sold "by owner." The appellant did not submit any sale comparables to demonstrate that the sale was at fair market value. Based on this

evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$66,855. The subject's assessment reflects a market value of \$668,550 or \$311.53 per square foot of living area, land included, when using the 10% level of assessment under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on two sale comparables, each of which reflected equity data. They sold in August 2017 for sale prices ranging from \$374.10 to \$412.69 per square foot, including land. The sale of the subject in November 2017 for \$500,000, or \$232.99 per square foot, including land, was also reflected on the grid sheet.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the subject's sale does not have the elements of an arm's length transaction as it was not advertised for sale or exposed on the open market. The subject's assessment reflects a market value of \$311.53 per square foot of living area, including land, while its purchase price reflects a market value of \$232.99 per square foot of living area, including land. The board of review provided two sale comparables that sold at times proximate to the valuation date and were similar to the subject in size, age construction and design. The comparables sold for prices well above the subject's purchase price as well as its current market value. Moreover, the appellant failed to submit any sale comparables to demonstrate that the sale of the subject was at market value. Accordingly, the Board finds that a reduction in the subject's assessment is not justified based on the evidence contained in the record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
