

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerry Stanfield
DOCKET NO.: 18-34621.001-R-1
PARCEL NO.: 13-04-109-015-0000

The parties of record before the Property Tax Appeal Board are Jerry Stanfield, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,631
IMPR.: \$54,100
TOTAL: \$64,731

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,312 square feet of living area. The dwelling is approximately 80 years old. Features of the home include a concrete slab foundation and a 1-car garage. The property has a 7,875 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-06 dwellings of frame exterior construction ranging in size from 2,349 to 3,044 square feet of living area. The dwellings range in age from 65 to 69 years old. Three comparables have concrete slab foundations and one comparable has a full

unfinished full basement. Three comparables each have central air conditioning. Two comparables each have one fireplace. Each comparable has a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$39,204 to \$58,922 or from \$16.69 to \$19.41 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$43,234 or \$18.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,674. The subject property has an improvement assessment of \$56,043 or \$24.24 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with two-story class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,215 to 2,463 square feet of living area. The dwellings range in age from 67 to 88 years old. The comparables have full or partial basements with three comparables having finished area. Two comparables each have central air conditioning. Each comparable has one or two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$54,930 to \$70,244 or from \$24.71 to \$30.12 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review comparable #3 due to their newer ages and/or larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to the board of review comparables #1, #2 and #4 as they are similar to the subject in age and dwelling size with varying degrees of similarity in features. These comparables have improvement assessments ranging from \$54,930 to \$56,261 or from \$25.40 to \$30.12 per square foot of building area. The subject's improvement assessment of \$56,043 or \$24.24 per square foot of building area falls below the range established by the best comparables. However, the subject's assessment is not justified due to its inferior attributes, including lack of a basement when compared to the best comparables. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
