

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 4827 Kedvale, LLC
DOCKET NO.: 18-34710.001-R-1
PARCEL NO.: 13-10-426-011-0000

The parties of record before the Property Tax Appeal Board are 4827 Kedvale, LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,143
IMPR.: \$25,320
TOTAL: \$30,463

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family building of masonry exterior construction with 2,070 square feet of building area. The building is approximately 103 years old. Features of the building include a full unfinished basement, central air conditioning and a 2-car garage. The property has a 3,810 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located within the same neighborhood code as the subject property. The comparables are each improved with class 2-11 multi-family buildings of masonry exterior construction ranging in size from 1,912 to 2,528 square feet of building area. The buildings

range in age from 93 to 97 years old. The comparables have full basements with one comparable having finished area. Each comparable has a 1-car to a 3-car garage. The comparables have improvement assessments ranging from \$21,420 to \$27,564 or from \$9.62 to \$11.20 per square foot of building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$22,811 or \$11.02 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,463. The subject property has an improvement assessment of \$25,320 or \$12.23 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables which are located within the same neighborhood code as the subject property. The comparables are improved with two-story class 2-11 multi-family buildings of masonry exterior construction ranging in size from 2,070 to 2,359 square feet of building area. The buildings range in age from 100 to 103 years old. The comparables have full basements with three comparables having finished area. One comparable has central air conditioning. Three comparables have either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$28,786 to \$31,101 or from \$13.18 to \$14.38 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board gives less weight to the appellant comparables #1, #2, #3, #6, #7, #8 and #9 as well as the board of review comparables #1 and #3 due to their larger building sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant comparables #4, #5 and the board of review comparables #2 and #4. These comparables are similar, if not identical, to the subject in design and/or class, age and dwelling size, but have features with varying degrees of similarity when compared to the subject. These comparables have improvement assessments ranging from \$21,420 to \$29,775 or from \$11.20 to \$14.38 per square foot of building area. The subject property's improvement assessment of \$25,320 or \$12.23 per square foot of building area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences such as a finished basement area when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
