

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Prosiliakos
DOCKET NO.: 18-35037.001-R-1
PARCEL NO.: 03-26-308-005-0000

The parties of record before the Property Tax Appeal Board are George Prosiliakos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,533
IMPR.: \$30,624
TOTAL: \$35,157

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 2,623 square feet of living area. The dwelling is approximately 51 years old. Features of the home include a full unfinished basement, central air conditioning and a 2-car garage. The property has a 9,067 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject property. The comparables had lots ranging in size from 8,500 to 10,053 square feet of land area that were improved with class 2-78 dwellings of frame or frame and masonry construction. The homes ranged in size from 2,226 to 3,152 square feet of

living area and ranged in age from 46 to 54 years old. The comparables had full or partial basements, one of which had finished area, central air conditioning and a 2-car garage. Two comparables each had one fireplace. The comparables sold from January 2017 to December 2018 for prices ranging from \$251,099 to \$367,500 or from \$112.80 to \$126.34 per square foot of living area, including land. Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$30,979.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,157. The subject's assessment reflects a market value of \$351,570 or \$134.03 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties that were located within the same neighborhood code as the subject property. The comparables had lots ranging in size from 9,000 to 10,000 square feet of land area that were improved with two-story dwellings of frame or frame and masonry construction. The homes ranged in size from 2,226 to 2,462 square feet of living area and ranged in age from 46 to 54 years old. The comparables had full or partial basements, one of which had finished area, central air conditioning and a 2-car garage. Two comparables each had one fireplace. The comparables sold from April to August 2018 for prices ranging from \$430,000 to \$570,000 or from \$174.65 to \$256.06 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sales #3 and #4, as well as the board of review's comparable sale #1, due to their differences in size when compared to the subject. The Board finds the parties' remaining comparable sales were similar to the subject in location, building classification, size, age and most features. These comparables also sold proximate in time to the January 1, 2018 assessment date at issue. The best comparables sold from January 2017 to December 2018 for prices ranging from \$309,900 to \$460,000 or from \$116.69 to \$188.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$351,570 or \$134.03 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's assessment is supported. Based on the evidence in this record, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
