

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zoran Beric
DOCKET NO.: 18-35050.001-R-1
PARCEL NO.: 03-08-403-007-0000

The parties of record before the Property Tax Appeal Board are Zoran Beric, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,812
IMPR.: \$32,457
TOTAL: \$37,269

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 2,424 square feet of living area. The dwelling is approximately 47 years old. Features of the home include an unfinished basement, central air conditioning and a 2-car garage. The property has an 8,750 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables have sites that range in size from 8,750 to 10,862 square feet of land area and are improved with class 2-78 dwellings of frame or frame and masonry exterior construction that range in size from 2,410 to 2,690 square feet of living area.

The homes range in age from 30 to 47 years old. Each comparable has an unfinished basement and 2-car garage. Three comparables each have central air conditioning and one fireplace. The comparables sold from September 2016 to December 2018 for prices ranging from \$316,000 to \$390,000 or from \$131.12 to \$144.98 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$33,650.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,269. The subject's assessment reflects a market value of \$372,690 or \$153.75 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.25 of a mile from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 8,710 to 9,013 square feet of land area and are improved with two-story, class 2-78 dwellings of frame or frame and masonry exterior construction that range in size from 2,315 to 2,690 square feet of living area. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a 2-car garage. The comparables sold from June 2016 to December 2018 for prices ranging from \$385,000 to \$400,000 or from \$144.98 to \$166.31 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the appellant's comparables #1, #3 and #4 along with board of review comparables #3 and #4 which sold in 2016 and are less likely to be indicative of the subject's market value as of the January 1, 2018 assessment date. Nevertheless, these comparables had prices ranging from \$131.12 to \$166.31 per square foot of living area, which are supportive of the subject's assessment.

The Board finds the best evidence of market value to be the remaining comparables, which includes the common comparable. These two comparables sold in August 2017 and December 2018 for prices of \$400,000 and \$390,000 or for \$165.36 and \$144.98 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$372,690 or \$153.75 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
