

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-35210.001-R-1
PARCEL NO.: 15-04-115-020-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant(s), by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,604
IMPR.: \$11,765
TOTAL: \$14,369

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 71-year-old, two-story, building of frame construction containing 1,984 square feet of gross building area. Features of the subject include a crawl space and a two-car garage. The property is situated on 3,720 square feet in Proviso Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement that disclosed the subject property was purchased from Federal National Mortgage Association (Fannie Mae) on April 27, 2017, for \$120,000. The subject's sale price reflects a market value of \$60.48 per square foot of gross building area including land.

The appellant also submitted a Special Warranty Deed, and a sale contract that disclosed the subject was offered for sale in an “as-is” condition and with the disclosure that “the purchaser understands that the seller acquired the property by foreclosure, deed-in-lieu of foreclosure, forfeiture, tax sale, or similar process.” The appellant included information in Section IV—Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties; was advertised and sold through a realtor; and was not sold in settlement of a foreclosure. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,369. The subject's assessment reflects a market value of \$143,690, or \$72.42 per square foot of gross building area, when using the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in April 2017 for \$120,000 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

The Board may consider market value evidence, such as sales of comparable properties submitted by the parties, to determine whether the subject was sold at fair cash value. 86 Ill.Admin.Code §1910.65(c)(4); *See* Calumet Transfer LLC v. Illinois Property Tax Appeal Board, 401 Ill.App.3d 652 (1st Dist. 2010).

The appellant did not submit comparables or other evidence to establish that the sale of the subject was for fair cash value. The board of review submitted sale comparables that contained property characteristics similar with the subject. Comparables #2 through #4 are most similar with the subject and sold in 2018 for prices ranging from \$73.76 to \$140.31 per square foot of gross building area including land. The subject's assessment reflects a market value of \$72.42 per square foot of gross building area including land, which is below the range established by the best comparable sales in this record. The subject's sale price of \$120,000, or \$60.48 per square foot of gross building area including land is below the range established by the market data.

In determining the fair cash value of the subject property and all relevant factors, the Board finds that the appellant did not submit enough evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
