

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Margaret Brandlein
DOCKET NO.: 18-35256.001-R-1
PARCEL NO.: 13-09-102-034-0000

The parties of record before the Property Tax Appeal Board are Margaret Brandlein, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,218
IMPR.: \$20,443
TOTAL: \$24,661

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story dwelling of masonry construction with 1,000 square feet of living area. The dwelling is 55 years old. The property has a 3,125 square foot site, and is located in Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six sale comparables, all of which reflected equity data. These comparables sold between May 2014 and December 2017 for prices ranging from \$173.03 to \$219.02 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$21,218.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,661. The subject's assessment reflects a market value of

\$246,610, or \$246.61 per square foot of living area, including land, when applying the statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables, each of which reflected equity data. These comparables sold between October 2018 and December 2018 for prices ranging from \$276.50 to \$503.31 per square foot of living area, including land. The board of review argued that their comparables are similar in size and proximity to the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #4 through #6, as well as the board of review's comparables #1 through #4, as they were most similar to the subject property in size, location, amenities and proximity of sale date to valuation date. These comparables sold for prices ranging from \$203.56 to \$503.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$246.61 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
