

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Licerio Ribeiro
DOCKET NO.: 18-35265.001-R-1 through 18-35265.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Licerio Ribeiro, the appellant(s), by attorney Spiro Zarkos, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-35265.001-R-1	13-05-422-005-0000	3,375	51	\$3,426
18-35265.002-R-1	13-05-422-006-0000	2,767	17,500	\$20,267

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 98-year-old, one-story, building of frame construction containing 1,340 square feet of gross building area. Features of the subject include a crawl space. The property is situated on two contiguous parcels with a total of 2,050 square feet of land in Jefferson Township, Cook County. The parcels are designated Property Index Number (PINs) 005 and 006.¹ The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

¹ PIN 005 contains an improvement with a \$51 assessment. The characteristics of this improvement are not found in the record. Considering the small amount of assessment, the Board will treat this improvement as *de minimis*.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparable properties.

The board of review submitted its Board of Review Notes on Appeal disclosing the total assessment for the subject of \$31,469.² The subject property has an improvement assessment of \$25,276, or \$18.86 per square foot of gross building area.³ In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #2 through #4. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$12.80 to \$13.51 per square foot of living area. The subject's improvement assessment of \$18.86 per square foot of gross building area falls above the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

² This total assessed valuation includes the totals for each of the two PINs.

³ This improvement assessed valuation and per square foot value are based only on the improvement of PIN 006, since the improvement assessed valuation for PIN 005 is *de minimis*.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
