

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexa Pesmen
DOCKET NO.: 18-35604.001-R-1
PARCEL NO.: 19-18-111-046-0000

The parties of record before the Property Tax Appeal Board are Alexa Pesmen, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,978
IMPR.: \$14,945
TOTAL: \$19,923

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,978 square foot parcel of land improved with a 65-year old, one-story, frame and masonry, single-family dwelling containing 1,050 square feet of building area. The property is located in Chicago, Lake Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted five sales comparables. The comparables are described as one-story, masonry, single-family dwellings. They range in age from 61 to 66 years and in size from 1,032 to 1,442 square feet of building area. They sold from August 2016 to July 2018 for prices ranging from \$107.00 to \$168.00 per square foot of building area, rounded.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$19,923 which reflects a market value of \$199,230 or \$189.74 per square foot

of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. The comparables are described as one-story, masonry or frame, single-family dwellings. They range in age from 58 to 64 years and in size from 1,020 to 1,071 square feet of building area. They sold from July 2015 to August 2018 for prices ranging from \$234.83 to \$263.21 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, #4, and #5 and the board of review's comparables #3 and #4. These comparables had sales prices ranging from \$131.15 to \$263.21 per square foot of building area, rounded. The remaining comparables were given less weight due to differences in size or construction. In comparison the subject's assessment reflects a market value of \$189.74 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
