

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dorothy Kepouros
DOCKET NO.: 18-35623.001-R-1
PARCEL NO.: 27-02-407-009-0000

The parties of record before the Property Tax Appeal Board are Dorothy Kepouros, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,149
IMPR.: \$12,851
TOTAL: \$14,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of 1,915 square foot parcel of land improved with a 41-year old, two-story, frame and masonry, attached, single-family dwelling containing 1,846 square feet of building area. The property is located in Orland Park, Orland Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted copies a trustee deed, multiple listing database printout, and a settlement statement disclosing the purchase of the subject on March 28, 2016 for \$140,000.

As to the equity argument, the appellant submitted five comparables. These properties are described as two-story, frame and masonry, attached, single-family dwellings. They range: in age from 32 to 40 years; in size from 1,780 to 1,870 square feet of building area; and in improvement assessment from \$8.24 to \$8.96 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment for one parcel. The total assessment is \$17,948 and an improvement assessment of \$16,799 or \$9.10 per square foot of building area. The total assessment reflects a market value of \$179,480 or \$97.23 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. These properties are described as two-story, frame and masonry, attached, single-family dwellings. They range: in age from 32 to 44 years; in size from 1,754 to 1,870 square feet of building area; and in improvement assessment from \$10.90 to \$11.16 per square foot of building area. They sold from April 2015 to May 2016 for prices ranging from \$97.77 to \$101.00 per square foot of building area. The board of review also listed a sale of the subject in January 2016 for \$140,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2016 for a price of \$140,000. The appellant submitted evidence of the sale of the subject. The board of review did not challenge the sale or the arm's-length nature of the transaction and, in fact, included a sale of the subject at \$140,000. Based on this record the Board finds the subject property had a market value of \$140,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board also finds that after this reduction the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
