### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of 34 parking spaces in a condominium building. The building is 15 years old and is located on a 10,117 square foot site in Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,295,000 as of January 1, 2018. Appellant requested that the Board apply the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance. Appellant requested a reduction in the subject's assessment to \$129,450.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$343,859. The subject's assessment reflects a market value of \$3,438,590 when using the 2019 level of assessment for class 2 properties of 10% as determined by the Cook County Real Property Classification Code. In support, the board of review submitted a "Condominium Analysis Results for 2019" report depicting a market value of \$3,485,194 and an assessed value of \$348,519 for the condominium building based on five 2017-2019 sale comparables and applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market

value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$3,438,590 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$1,295,000 as of the assessment date at issue. Since market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
