

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DAS Tuscan, LLC  
DOCKET NO.: 18-35960.001-R-1  
PARCEL NO.: 14-19-122-003-0000

The parties of record before the Property Tax Appeal Board are DAS Tuscan, LLC, the appellant(s), by attorney Nicholas T. McIntyre, of Much Shelist, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,250  
**IMPR.:** \$47,073  
**TOTAL:** \$63,323

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 110-year-old, two-story, multi-family dwelling of masonry construction with 2,414 square feet of living area. Features of the building include two full bathrooms and a two-car garage. The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,323. The subject property has an improvement assessment of \$47,073 or \$19.50 per square foot of living area. In support of its contention of the correct

assessment, the board of review submitted information on four suggested equity comparables. They are improved with a two-story, multi-family dwelling of masonry construction, located within a block of the subject property. The improvements ranged: in age from 109 to 110 years old; in size from 2,320 to 2,504 square feet of living area; and in assessment from \$19.64 to \$23.56 per square foot. Each of the comparable properties had two full bathrooms, with one of the comparable properties having an additional half-bathroom. Additionally, three of the comparable properties had a two-car garage.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

The Board finds the best evidence of assessment equity to be *the appellant's comparables #1 and #4 and the board of review comparables #1, #2, and #3*. These comparables had improvement assessments that ranged from \$12.18 to \$23.56 per square foot of living area. The subject's improvement assessment of \$19.50 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
