

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Itanya Lanier
DOCKET NO.: 18-36036.001-R-1
PARCEL NO.: 31-16-212-024-0000

The parties of record before the Property Tax Appeal Board are Itanya Lanier, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,221
IMPR.: \$13,903
TOTAL: \$15,124

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,989 square feet of living area. The dwelling is nine years old. The property has a 1,221 square foot site and is located in Rich Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of the equity argument, the appellant submitted information on four equity comparables on the appeal grid sheet. They ranged in improvement assessment per square foot from \$6.66 to \$7.16. The appellant also indicated the subject was purchased in December 2014 for \$121,000. A Sidwell map of the subject's neighborhood and Assessor printouts were provided to support the appellant's argument for an assessment reduction.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$15,638. The subject property has an improvement assessment of \$14,417, or \$7.25 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, all of which reflected recent sale date. They ranged in improvement assessment per square foot from \$6.93 to \$10.11. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued that the board of review's comparables were not similar to the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2 and #4. These comparables were most similar to the subject property in square footage of living area, location, design age, and construction. These comparables had improvement assessments that ranged from \$6.68 to \$7.16 per square foot of living area. The subject's assessment of \$7.25 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is justified on this basis.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
