

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Ginis  
DOCKET NO.: 18-36169.001-C-1  
PARCEL NO.: 13-16-324-025-0000

The parties of record before the Property Tax Appeal Board are George Ginis, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,915  
**IMPR.:** \$ 31,533  
**TOTAL:** \$ 35,448

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a two-story building of masonry construction with 3,907 square feet of building area. The building is 48 years old. Features of the building include a partial unfinished basement and central air conditioning. The property's site is 2,700 square feet, and it is located in Jefferson Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five sale comparables. These comparables sold between November 2016 and September 2018 for \$225,000 to \$400,000, or \$44.17 to \$88.13 per square foot of building area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$27,375.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$35,448. The subject’s assessment reflects a market value of \$354,480, or \$90.73 per square foot of building area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from October 2016 to December 2018 for \$333,858 to \$465,000, or \$116.00 to \$200.43 per square foot of building area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject’s assessment is not warranted.

The Board finds the best evidence of market value to be appellant’s sale comparables #1, #2, #3, and #5, and board of review sale comparable #1. These sale comparables sold for prices ranging from \$57.40 to \$116.00 per square foot of building area, including land. The subject’s assessment reflects a market value of \$90.73 per square foot of building area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
