

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Schlossman  
DOCKET NO.: 18-36908.001-R-1  
PARCEL NO.: 13-13-132-004-0000

The parties of record before the Property Tax Appeal Board are Peter Schlossman, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,500  
**IMPR.:** \$75,525  
**TOTAL:** \$89,025

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 5,625 square foot parcel of land improved with a 102-year-old, two-story, frame, single-family dwelling. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data on four suggested comparables. These comparables range in size from 2,237 to 2,488 square feet of building area and in improvement assessment from \$18.63 to \$27.26 per square foot of building area. In addition, the appellant argued that the subject's square footage is incorrectly listed by the board of review and that the subject contains 2,375 square feet of building area. To support this, the appellant submitted the architect drawings of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$94,037 with an improvement assessment of \$80,537. The board of review lists the subject as containing 2,731 square feet of building area with no further evidence.

In support of the current assessment, the board of review submitted data on four comparables. These comparables contain from 2,398 to 2,805 square feet of building area and have improvement assessment from \$30.18 to \$39.13 per square foot of building area.

In rebuttal, the appellant submitted a letter asserting that the board of review failed to address the square footage argument.

### **Conclusion of Law**

As to the size of the subject, the Board finds the appellant submitted sufficient evidence to show that the board of review incorrectly listed the subject's square footage. The Board finds the subject contains 2,375 square feet of building area which reflects an assessment of \$33.91 per square foot of building area.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparable #1. These comparables had improvement assessments ranging from \$18.63 to \$31.89 per square foot of building area. The remaining comparable was given less weight due to differences in construction or size. In comparison the subject's improvement assessment of \$33.91 per square foot of building area is above the range of the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
