

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-37072.001-R-1
PARCEL NO.: 29-33-306-001-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,018
IMPR.: \$9,623
TOTAL: \$12,641

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,513 square feet of living area. The dwelling is approximately 49 years old. Features of the home include a partial basement finished as a formal recreation room, central air conditioning and a two-car attached garage. The property has an 8,625 square foot site and is located in Glenwood, Thornton Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis and property characteristic printouts of the subject and four equity comparables that are located from 4.6 to 5.8 miles from the subject property. The comparables are improved with class 2-34 multi-level dwellings of frame and masonry exterior construction ranging in size from 1,116 to 1,456 square

feet of living area. The dwellings are 45 to 124 years old. Each comparable has a partial basement with finished area and a one-car or a two-car garage. Three comparables have central air conditioning. Comparable #4 has one fireplace. The comparables have improvement assessments that range from \$3,062 to \$3,782 or from \$2.40 to \$2.96 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$4,100 or \$2.71 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,641. The subject property has an improvement assessment of \$9,623 or \$6.36 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code and in the same block or within .25 of a mile from the subject property. The comparables are improved with class 2-34 multi-level dwellings of frame and masonry exterior construction with either 1,507 or 1,867 square feet of living area. The dwellings are each 49 years old. Each comparable has a partial basement with finished area, central air conditioning and a two-car garage. Comparable #2 has one fireplace. The comparables have improvement assessments that range from \$11,725 to \$12,870 or from \$6.89 to \$8.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their locations being more than 4 miles from the subject. Furthermore, the appellant's comparables #1, #3 and #4 differ from the subject in dwelling size and/or age. The Board has given reduced weight to board of review comparable #3 due to its larger dwelling size when compared to the subject. The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #4, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments ranging from \$11,725 to \$12,269 or from \$7.78 to \$8.14. The subject's improvement assessment of \$9,623 or \$6.36 per square foot of living area falls below the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
