

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Miltiadi Theodosopoulos
DOCKET NO.: 18-37808.001-R-1
PARCEL NO.: 03-07-303-028-0000

The parties of record before the Property Tax Appeal Board are Miltiadi Theodosopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,129
IMPR.: \$37,871
TOTAL: \$45,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 3,089 square feet of living area. The dwelling was constructed in 1972. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car garage. The property has a 12,963 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject. The comparables had lots ranging in size from 8,750 to 11,709 square feet of land area that were improved with class 2-78 dwellings of frame and masonry construction. The homes ranged in size from 2,448 to 2,690 square feet of living area

and ranged in age from 30 to 45 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from September 2016 to December 2018 for prices ranging from \$335,000 to \$390,000 or from \$136.62 to \$144.98 per square foot of living area, including land. Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$43,351.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,298. The subject's assessment reflects a market value of \$462,980 or \$149.88 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located within the same neighborhood code as the subject property. The comparables had lots ranging in size from 8,119 to 14,756 square feet of land area that were improved with two-story dwellings of frame and masonry construction. The homes ranged in size from 2,231 to 2,504 square feet of living area and ranged in age from 37 to 45 years old. Comparable #4 had a slab foundation. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from May to August 2017 for prices ranging from \$400,000 to \$449,500 or from \$165.36 to \$180.12 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2 and #3, as well as the board of review's comparables #1, #2 and #3. These comparables sold from May 2017 to December 2018 for prices ranging from \$360,000 to \$449,500 or from \$136.62 to \$180.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$462,980 or \$149.88 per square foot of living area, including land, which is slightly above the range established by the best comparable sales in this record on a total market value basis but within on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds a slight reduction in the subject's total market value as reflected by its assessment is warranted. The Board gave less weight to the appellant's comparable #4 due to its sale date occurring greater than 15 months prior to the January 1, 2018 assessment date at issue. The Board gave less weight to the board of review's comparable #4 due to its dissimilar slab foundation, when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
