

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Wagner
DOCKET NO.: 18-37966.001-R-1
PARCEL NO.: 13-26-201-019-0000

The parties of record before the Property Tax Appeal Board are John Wagner, the appellant(s), by attorney Christopher G. Walsh, Jr., of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,080
IMPR.: \$25,920
TOTAL: \$31,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story, frame, single-family home that is 112 years old. The dwelling contains 1,924 square feet of living area and is situated on a 3,175 square foot parcel. It is located in Jefferson Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 18, 2017 for a price of \$310,000. The appellant provided a settlement statement in support of the purchase and indicated this was not a foreclosure sale. The parties were unrelated and a real estate broker was involved in the transaction. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$40,097. This assessment reflects a market value of \$400,970, or \$208.40 per square foot, including land, when applying the statutory level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, all of which reflected sale data. The sale of the subject in August 2017 for \$310,00 was also reflected on the grid sheet. The suggested comparables range in sale price per square foot of living area from \$263.69 to \$409.61. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the undisputed purchase of the subject property in August 2017 for a price of \$310,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, that the property was sold using a real estate broker, and that it was advertised for sale on the open market with a listing on the MLS. In support of the transaction, the appellant submitted the settlement statement. As such, the Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$310,000 as of January 1, 2018. Since market value has been determined the statutory level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
