

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicholas Chervyatiuk  
DOCKET NO.: 18-38033.001-C-1  
PARCEL NO.: 13-23-317-015-0000

The parties of record before the Property Tax Appeal Board are Nicholas Chervyatiuk, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,000  
**IMPR.:** \$ 35,286  
**TOTAL:** \$ 40,286

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of two improvements. Improvement #1 is a two-story building of masonry construction with 3,090 square feet of building area. Improvement #1 is 127 years old. Improvement #2 is a building with 3,000 square feet of building area. The property's site is 3,125 square feet, and it is located in Jefferson Township, Cook County. Improvement #1 is classified as class 2-12 property under the Cook County Real Property Assessment Classification Ordinance. No information was submitted regarding Improvement #2's classification. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six sale comparables for Improvement #1. These comparables sold between July 2016 and April 2018 for \$245,000 to \$500,000, or \$85.00 to \$116.28 per square foot of building area, including land. The appellant did not submit any sale

comparables for Improvement #2. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$31,982.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$40,286. The subject's assessment reflects a market value of \$402,860. Improvement #1's market value is \$131,960, or \$42.71 per square foot of building area, including land, and Improvement #2's market value is \$320,900, or \$106.97 per square foot of building area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment for Improvement #1, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from January 2017 to April 2018 for \$340,000 to \$947,680, or \$143.10 to \$247.05 per square foot of building area, including land. The board of review did not submit any evidence in support of the assessment for Improvement #2.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value for Improvement #1 to be appellant's sale comparable #4, and board of review sale comparables #2 and #4. These sale comparables sold for prices ranging from \$85.00 to \$247.05 per square foot of building area, including land. Improvement #1's assessment reflects a market value of \$42.71 per square foot of building area, including land, which is below the range established by the best comparables in this record. As neither party submitted market value evidence regarding Improvement #2, the Board is unable to determine whether Improvement #2 is overvalued. Therefore, Improvement #2's market value assessment will remain unchanged. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
