

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pauline Cruz
DOCKET NO.: 18-38205.001-R-1
PARCEL NO.: 13-01-420-032-0000

The parties of record before the Property Tax Appeal Board are Pauline Cruz, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,696
IMPR.: \$29,147
TOTAL: \$35,843

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 102-year-old, two-story, multi-family dwelling of masonry construction with two apartments. The improvement contains 2,724 square feet of living area with a full basement and a two-car garage. The property is sited on 3,720 square feet of land and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information about four suggested comparable sales. The comparables are described as multi-family dwellings of masonry construction. They range in age from 92 to 97 years and in size from 2,502 to 2,960 square feet of building area. They sold from March 2017 to September 2018 for prices ranging from \$93.09 to \$118.71 per square foot of building area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,843. The subject's assessment reflects a market value of \$358,430 or \$131.58 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four sales comparables. The comparables are described as two-story, multi-family dwellings of masonry construction. The improvements were located within a ¼ mile radius of the subject. The improvements ranged; in age from 92 to 95 years; in size from 2,752 to 2,960 square feet of building area. These comparable properties were sold between October 2018 to December 2018 for prices ranging from \$135.14 to \$156.25 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best evidence of market value to be *the appellant's comparable sales #1 and #4 and the board of review comparable sales #1, #2 and #4*. These comparables sold for prices ranging from \$111.11 to \$156.25 per square foot of living area, including land. The remaining properties were accorded diminished weight due to a disparity in location, exterior construction, style, age, size, amenities, and/or the remoteness of the sales date. The subject's assessment reflects a market value of \$131.58 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
