

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Paras
DOCKET NO.: 18-38220.001-R-1
PARCEL NO.: 13-24-306-003-0000

The parties of record before the Property Tax Appeal Board are Peter Paras, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,930
IMPR.: \$27,554
TOTAL: \$34,484

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family dwelling of frame exterior construction with 2,136 square feet of living area. The dwelling is approximately 125 years old. Features of the home include a finished basement and a two-car garage. The property has a 3,150 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites ranging from 3,125 to 4,687 square feet of land area and are improved with class 2-11 multi-family dwellings of frame exterior construction that range in size from 1,472 to 3,340 square feet of living area. The

dwellings range in age from 110 to 125 years old. The comparables each have a full basement, two of which are finished with either an apartment or a recreation room. One comparable has central air conditioning. Three comparables each have a one-car or two-car garage. The properties sold from July 2017 to June 2018 for prices ranging from \$176,000 to \$455,000 or from \$119.57 to \$140.44 per square foot of living area, land included.

Based on this evidence the appellant requested that the subject's assessment be reduced to \$27,903. The requested assessment would reflect a total market value of \$279,030 or \$130.63 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,484. The subject's assessment reflects a market value of \$344,840 or \$161.44 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites of 3,125 or 4,687 square feet of land area and are improved with 2-story class 2-11 multi-family dwellings of frame or masonry exterior construction that range in size from 1,956 to 2,370 square feet of living area. The dwellings range in age from 102 to 110 years old. One comparable has a concrete slab foundation and three comparables each have a full basement, two of which are finished with recreation rooms. One comparable has central air conditioning. One comparable has two fireplaces. Two comparables each have a two-car garage. The properties sold from January to May 2017 for prices ranging from \$358,000 to \$655,000 or from \$178.11 to \$296.11 per square foot of living area, land included.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 as well as board of review comparables #1, #3 and #4 which differ from the subject in dwelling size, lack a garage and/or lack a basement foundation.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4 as well as board of review comparable #2 which are similar to the subject in age, dwelling size, and some features. These three comparables sold from January 2017 to March 2018 for prices

ranging from \$268,000 to \$358,000 or from \$126.30 to \$178.11 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$344,840 or \$161.44 per square foot of living area, land included, which falls within the range established by the best comparables in this record. Based on the record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
