

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Zunjic
DOCKET NO.: 18-38290.001-R-1
PARCEL NO.: 13-06-307-015-0000

The parties of record before the Property Tax Appeal Board are Steven Zunjic, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,748
IMPR.: \$27,252
TOTAL: \$38,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 1,197 square feet of living area. The dwelling is approximately 95 years old. Features of the home include an unfinished basement, one fireplace, and a 2-car garage. The property has an 8,599 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables located in the same neighborhood code as the subject property. The comparables are improved with 1-story or "1.5-1.9"-story class 2-03 dwellings of frame, masonry, stucco, or frame and masonry exterior construction ranging in size from 1,098 to 1,469 square feet of living

area. The dwellings range in age from 77 to 137 years old. Each comparable has an unfinished basement and a 1-car to a 2.5-car garage. Two comparables each have central air conditioning. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$22,201 to \$28,924 or from \$17.44 to \$22.03 per square foot of living area. Based on this evidence, the appellant requested that the subject's total improvement assessment be reduced to \$23,033 or \$19.24 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,000. The subject property has an improvement assessment of \$27,252 or \$22.77 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with 1-story or 1.5-story class 2-03 dwellings of frame and masonry exterior construction ranging in size from 1,058 to 1,423 square feet of living area. The comparables range in age from 68 to 94 years old. The comparables each have a basement with two having finished area. One comparable has central air conditioning. Three comparables each have one or two fireplaces. Three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$26,424 to \$41,292 or from \$22.95 to \$29.02 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 through #9 as well as board of review comparables #1, #2, and #4 due to differences in design, age, dwelling size, basement finish, central air conditioning amenity, and/or foundation type when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and board of review comparable #3 which are relatively similar to the subject in location, design, age, dwelling size, and some features. The comparables have improvement assessments of \$26,424 and \$28,924 or of \$20.93 and \$24.98 per square foot of living area. The subject's total improvement assessment of \$27,252 or \$22.77 is bracketed by the two best comparables in this record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
