

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals  
DOCKET NO.: 18-38526.001-R-1  
PARCEL NO.: 31-35-105-039-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,437  
**IMPR.:** \$5,320  
**TOTAL:** \$7,757

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 760 square feet of living area. The dwelling is approximately 69 years old. Features of the home include a full unfinished basement and a 1-car garage. The property has 7,500 square foot site and is located in Richton Park, Rich Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject and from 1.5 to 1.8 of miles from the subject. The comparables were improved with 1-story class 2-02 dwellings of frame or masonry exterior construction that range in age from 64 to 66 years old. Two comparable have a full unfinished basement with two comparables having either a concrete slab foundation or a crawl-space foundation. Three comparables each have central air conditioning and a one-car or two-car garage. The dwellings range in size from 720 to 948 square feet of

living area and have improvement assessments ranging from \$4,274 to \$5,309 or from \$5.60 to \$6.15 per square feet of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$4,423 or \$5.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,757. The subject property has an improvement assessment of \$5,320 or \$7.00 per square feet of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code, ¼ of a mile and same block as the subject. The comparables were improved with 1.5-story class 2-02 dwellings of masonry exterior construction that range in age from 66 to 70 years old. Three comparables have a full basements, two of which have finished area and one comparable has a concrete slab foundation. One comparable has central air conditioning. Each comparable has either a 1-car, 2-car or a 2.5 car garage. The dwellings range in size from 765 to 837 square feet of living area and have improvement assessments ranging from \$6,035 and \$7,318 or from \$7.21 to \$9.57 per square feet of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables due to their dissimilar 1-story design when compared to the subject's 1.5-story design. The Board gave less weight to the board of review comparable #1 due to the dissimilar concrete slab foundation feature when compared to the subject full basement.

The Board finds that the best evidence of assessment equity is the board of review comparables #2, #3 and #4, as these comparables are similar to the subject in age, foundation, dwelling size, design and some features, except two comparables have basement finished area, unlike the subject, suggesting a downward adjustment would be required to make these comparables more equivalent to the subject. These comparables have improvement assessments that range from \$6,517 to \$7,318 or from \$8.52 to \$9.57 per square foot of living area. The subject property has an improvement assessment of \$5,320 or \$7.00 per square foot of living area, which falls below the range established by the best comparables contained in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
