

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-38536.001-R-1
PARCEL NO.: 31-19-408-012-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,519
IMPR.: \$17,571
TOTAL: \$21,090

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,999 square feet of living area. The dwelling is approximately 12 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 9,386 square foot site and is located in Matteson, Rich Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located from 3.2 to 5.9 miles from the subject, none of which have the same assessment neighborhood code as the subject. The comparables are improved with class 2-07 two-story dwellings of frame exterior construction ranging in size from 1,809 to 1,951 square

feet of living area and in age from 26 to 62 years old. Two comparables have partial basements that are unfinished and two comparables have concrete slab foundations. Two comparables have central air conditioning. Three comparables each have one fireplace and a two-car garage. The comparables have improvement assessments that range from \$7,596 to \$8,850 or from \$4.20 to \$4.82 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$9,035 or \$4.52 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,090. The subject property has an improvement assessment of \$17,571 or \$8.79 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .25 of a mile from the subject property. The comparables are improved with class 2-07 two-story dwellings of frame exterior construction ranging in size from 1,793 to 1,999 square feet of living area. Each dwelling is 12 years old and has a full basement that is unfinished, one fireplace and a two-car garage. Three comparables have central air conditioning. The comparables have improvement assessments that range from \$16,777 to \$18,780 or from \$8.88 to \$9.39 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparable for the Board's consideration. The Board has given less weight to appellant's comparables due to their distant locations from the subject being more than 3 miles away and the dwellings are considerably older in age when compared to the subject dwelling. The Board has also given less weight to board of review comparable #4 due to its smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #3, which are overall most similar to the subject in location, dwelling size, design, age, and features. The comparables have improvement assessments ranging from \$17,275 to \$18,780 or from \$8.88 to \$9.39 per square foot of living area. The subject's improvement assessment of \$17,571 or \$8.79 per square foot of living area is within the overall improvement assessment range established by the best comparables in the record but slightly below the range on a square foot basis. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
