

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria Devivo
DOCKET NO.: 18-39197.001-R-1
PARCEL NO.: 12-14-118-011-0000

The parties of record before the Property Tax Appeal Board are Maria Devivo, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,187
IMPR.: \$27,847
TOTAL: \$35,034

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry construction with 1,294 square feet of living area. The dwelling is 54 years old. Features of the home include a full finished basement, central air conditioning and an attached 2-car garage. The property has a 5,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 5,060 to 7,448 square feet of land area that are improved with class 2-03 dwellings of masonry construction. The homes range in size from 1,255 to 1,461 square feet of living area and are 55

or 58 years old. The comparables have full basements, two of which are finished, and an attached 2-car garage. Three comparables have central air conditioning. The comparables sold from October 2016 to April 2018 for prices ranging from \$310,000 to \$369,900 or from \$239.57 to \$259.10 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,034. The subject's assessment reflects a market value of \$350,340 or \$270.74 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted a grid analysis containing four comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 5,016 to 5,174 square feet of land area that are improved with class 2-03 dwellings of masonry construction. The homes range in size from 1,148 to 1,409 square feet of living area and range in age from 52 to 55 years old. The comparables have full basements, one of which is finished, and a 2-car or a 2.5-car garage. Three comparables have central air conditioning. The comparables sold from June 2016 to September 2018 for prices ranging from \$336,000 to \$362,500 or from \$254.08 to \$315.77 per square foot of living area, including land. The board of review's grid analysis listed the subject as selling in October 2017 for \$1. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #4, as well as the board of review's comparables #1 and #2, due to their sale date occurring greater than 14 months prior to the January 1, 2018 assessment date at issue. The Board finds the parties' remaining comparables are similar to the subject in location, building classification, foundation type, age, size and most features. However, four of the parties' best comparables lack basement finish, unlike the subject, and two lack central air conditioning when compared to the subject. Nevertheless, the best comparables sold from June 2017 to September 2018 for prices ranging from \$310,000 to \$369,900 or from \$239.57 to \$315.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$350,340 or \$270.74 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
