

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Imielski  
DOCKET NO.: 18-39251.001-R-1 through 18-39251.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Stephen Imielski, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
18-39251.001-R-1	15-09-311-022-0000	1,612	5,366	\$6,978
18-39251.002-R-1	15-09-311-023-0000	1,612	5,366	\$6,978

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, single-family dwelling of masonry construction with 1,326 square feet of living area. The dwelling is 59 years old. Features include a partial basement with a formal recreation room, central air conditioning, and a one-car garage. The property has a 3,225 square foot site and is located in Bellwood, Proviso Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The taxpayer asserts that the market value of the subject property is not accurately reflected in its assessed valuation. The taxpayer submitted information on four suggested sales comparables in support of this argument.

The board of review submitted its "Board of Review Notes on Appeal." The total assessment for the subject is \$13,956. The subject property has an improvement assessment of \$10,732 or \$8.09 per square foot of living area. The subject property's assessment reflects a market value of \$139,560, land included in the sale price, or \$105.25 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested sales comparables.

### **Conclusion of Law**

The taxpayer asserted that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); *Winnebago County Bd. of Review v. Property Tax Appeal Bd.*, 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment on this basis is not warranted.

The Board concludes that the best evidence of the subject's market value is sales comparables one, two, and three submitted by the board of review. These comparables are within a quarter mile of the subject, and two are on the same block as the subject. Like the subject property, these comparables have one-story, single-family residences of masonry construction with central air conditioning and three bedrooms. The living areas of their dwellings are similar in size to that of the subject's dwelling.

These comparables sold between February 3, 2017, and December 11, 2018, for amounts ranging from \$104.17 to \$153.19 per square foot of living area, land included in the sale price. The subject property's assessment reflects a market value of \$139,560, land included in the sale price, or \$105.25 per square foot of living area, which is within the range established by the best comparables in the record. Accordingly, the Board determines that the appellant has not established by a preponderance of the evidence that the subject property was overvalued. Based on the evidence, the Board therefore finds that a reduction in the subject's assessment on this basis is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
