

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter D'agostino
DOCKET NO.: 18-39256.001-R-1
PARCEL NO.: 12-11-102-123-1005

The parties of record before the Property Tax Appeal Board are Peter D'agostino, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,087
IMPR.: \$21,412
TOTAL: \$22,499

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit, within an 8-unit condominium building of aluminum and brick construction, with 1,850 square feet of living area. The condominium is 19 years old. The subject has central air conditioning and a garage. The property has a 7,000 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing three comparable sales within the subject's building that sold in September or December 2015 for prices ranging from \$223,000 to \$228,000 or from \$120.54 to \$123.24 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,499. The subject's assessment reflects a market value of \$224,990 or \$121.62 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted an analysis containing two sales within the subject's building, one of which is the same property as the appellant's comparable #3. The comparables sold in August and December 2018 for prices of \$253,500 and \$246,000 or \$137.03 and \$132.97 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable properties for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable sales, due to their sale dates occurring greater than 24 months prior to the January 1, 2018 assessment date at issue. The Board finds the board of review's comparables, which includes the parties' common comparable, have sale dates occurring more proximate in time to the January 1, 2018 assessment date at issue. The best comparable sales occurred in August and December 2018 for prices of \$253,500 and \$246,000 or \$137.03 and \$132.97 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$224,990 or \$121.62 per square foot of living area, including land, which falls below the market values of the best comparable sales in the record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
