

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robin Anderson
DOCKET NO.: 18-39634.001-R-1
PARCEL NO.: 31-36-210-065-0000

The parties of record before the Property Tax Appeal Board are Robin Anderson, the appellant(s), by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,610
IMPR.: \$12,865
TOTAL: \$14,475

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 5,367 square foot parcel of land improved with a 10-year-old, two-story, frame, single-family building containing 2,335 square feet of building area. The property is located in Park Forest, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this, the appellant submitted three comparables. The comparables are described as two-story, frame, single-family buildings. They contain from 1,387 to 2,224 square feet of building area and sold from September 2016 to April 2019 for prices ranging from \$31.47 to \$60.56 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$14,475 which reflects a market value of \$144,750 or \$65.09 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted data on four comparables. The properties are described as two-story, frame or frame and masonry, single-family buildings. They contain from 2,050 to 3,094 square feet of building area and sold from July to December 2018 for prices ranging from \$63.51 to \$80.77 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best comparables to be the appellant's comparables #1 and #3 and the board of review's comparable #3. These properties sold from September 2016 to April 2019 for prices ranging from \$31.47 to \$80.77 per square foot of building area. The remaining comparables were given less weight due to differences in size and/or construction. In comparison, the subject's assessment reflects a market value of \$65.09 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
