

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gabriel Predescu
DOCKET NO.: 18-39678.001-R-1
PARCEL NO.: 02-27-206-016-0000

The parties of record before the Property Tax Appeal Board are Gabriel Predescu, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,129
IMPR.: \$31,230
TOTAL: \$37,359

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 2,537 square feet of living area. The dwelling is approximately 31 years old. Features of the home include a concrete slab foundation, central air conditioning, and a 2.5-car garage. The property has an 18,860 square foot site located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of frame exterior construction ranging in size from 1,960 to 2,591 square feet of living area. The comparables are from 50 to 66 years old. One comparable

has a partial unfinished basement and three comparables each have a concrete slab or crawl space foundation. One comparable has central air conditioning. Each comparable has one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$21,143 to \$28,642 and of either \$10.79 or \$11.52 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$27,831 or \$10.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,359. The subject property has an improvement assessment of \$31,230 or \$12.31 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same neighborhood code as the subject property. The comparables are improved with 1-story or 1.5-story dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 2,147 to 2,462 square feet of living area. The comparables range in age from 32 to 52 years old. Three comparables each have an unfinished basement and one comparable a crawl space foundation. Three comparables each have central air conditioning and one or two fireplaces. Each comparable has a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$30,201 to \$39,617 or from \$13.20 to \$16.09 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #2 and #3 which differ from the subject in age and/or dwelling size. In addition, board of review comparable #2 has a dissimilar 1-story design when compared to the subject's 1.5-story design.

The Board finds the best evidence of assessment equity to the board of review's comparables #1 and #4 which are more similar to the subject in design, age, dwelling size, and features. These comparables have improvement assessments of \$30,201 and \$39,617 or \$13.20 to \$16.09 per square foot of living area, respectively. The subject's improvement assessment of \$31,230 or \$12.31 per square foot of living area is bracketed by the overall improvement assessments of the two best comparables in this record but falls below on a per square foot basis. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
