

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pam Mac Pherson
DOCKET NO.: 18-39745.001-R-1
PARCEL NO.: 10-07-200-026-0000

The parties of record before the Property Tax Appeal Board are Pam Mac Pherson, the appellant(s), by attorney Anne E. Edelman-Larsen, of the Law Offices of Frank A. Edelman, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,763
IMPR.: \$86,237
TOTAL: \$110,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 45,264 square foot parcel of land improved with a 56-year-old, one-story, frame and masonry, single-family building containing 2,494 square feet of building area. The property is located in Glenview, Niles Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this, the appellant submitted the multiple listing service database printout (MLS) and the settlement statement which disclosed the subject was purchased on May 27, 2016 for \$1,100,000 or \$441.06 per square foot of building area. The statement lists commissions to two realtors. The petition discloses that the transfer was not between related parties, that it was sold through a realtor, that the property was advertised for sale for three months through a multiple listing and that the sale

was not due to a foreclosure. The petition discloses that that the subject is owner- occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$116,834 which reflects a market value of \$1,168,340 or \$468.46 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

The board of review included data on four sales comparables. The comparables are described as one or one and one-half story, masonry or stucco or frame and masonry, single-family dwellings. They range in age from 10 to 76 years and contain from 1,820 to 6,315 square feet of building area. They sold from May 2015 to November 2017 for prices ranging from \$308.64 to \$464.77 per square foot of building area. The board of review also listed the sale of the subject June 2016 for \$1,100,000 or \$441.06 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in May 2016 for a price of \$1,100,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not submit any evidence to challenge the arm's-length nature of the transaction and, in fact, included the sale in its evidence. In addition, this sale price is within the range of the board of review's comparables. Based on this record the Board finds the subject property had a market value of \$1,100,000 as of the lien date. The Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
