

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zofia Bobak
DOCKET NO.: 18-39791.001-R-1 through 18-39791.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Zofia Bobak, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-39791.001-R-1	19-09-204-004-0000	3,125	6,463	\$9,588
18-39791.002-R-1	19-09-204-005-0000	3,125	6,463	\$9,588
18-39791.003-R-1	19-09-204-006-0000	3,125	6,463	\$9,588

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 58-year-old, two-story, mixed-use building of masonry construction with 3,750 square feet of living area. Features of the building include two full bathrooms. The property has a 6,250 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables. All of the comparable properties are two-story mixed-use buildings of masonry construction. The comparable properties range: in age from 51-57 years old; in square feet of living area between 5,401-10,373; and in square feet of lot size between 3,075-22,263. The total assessment of the

comparable properties range between \$31,472 and \$51,246 and in improvement assessment between \$2.79 and \$5.17 per square foot. The appellant indicates the subject property has a land assessment of \$9,375, an improvement assessment of \$42,249, a total assessment of \$51,624, and an improvement assessment per square foot of \$11.27.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for one Property Identification Number (PIN) out of three PINs at issue herein. The board of review indicates PIN#19-09-204-004-0000 was assessed for \$17,067 and in support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables. None of the board of review's comparables are in the same property classification as the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #3, #4, and #5*. These comparables had improvement assessments that ranged from \$3.95 to \$5.17 per square foot of living area. The subject's improvement assessment of \$11.27 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
