

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane McMahan
DOCKET NO.: 18-39811.001-R-1
PARCEL NO.: 27-32-407-001-0000

The parties of record before the Property Tax Appeal Board are Diane McMahan, the appellant(s), by attorney Scott L. David, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,132
IMPR.: \$31,868
TOTAL: \$39,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13,586 square foot parcel of land improved with a 24-year-old, two-story, frame and masonry, single-family building containing 4,079 square feet of building area. The property is located in Orland Park, Orland Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this, the appellant submitted copies of the closing statement, warranty deed, and *Zillow.com* printout which disclosed the subject was purchased on August 11, 2017 for \$390,000 or \$95.61 per square foot of building area. The petition discloses that the transfer was not between related parties, that it was sold by owner, that the property was advertised for sale, and the sale was not due to a foreclosure. The petition discloses that the subject is an owner- occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,250 which reflects a market value of \$422,500 or \$103.58 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted data on four sales comparables. The comparables are described as two-story, masonry or frame and masonry, single-family dwellings. They are four to 21 years old and contain from 3,984 to 4,825 square feet of building area. They sold from April to November 2016 for prices ranging from \$131.78 to \$145.58 per square foot of building area. The board of review also listed the sale of the subject in August 2017 for \$390,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in August 2017 for a price of \$390,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not submit any evidence to challenge the arm's-length nature of the transaction and, in fact, included the sale in its evidence. Based on this record the Board finds the subject property had a market value of \$390,000 as of the lien date. The Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
