Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property has 48 PINs. The subject property consists of 220,118 square feet of irregular, noncontiguous, vacant land. The property is located in Chicago, Lake Township, Cook County. The subject is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,100,000 as of January 1, 2018. The appraisal consisted of a sales comparison approach. The appellant requested a reduction in the subject’s assessment to \$110,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$220,118. The subject's assessment reflects a market value of \$2,201,180 or \$10 per square foot of living area, including land, when applying the 10% level of assessment for class 1 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four unadjusted comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$2,201,180 or \$10 per square foot of living area, including land, which is above the appraised value. The Board finds the subject property had a market value of \$1,100,000 as of the assessment date at issue. Since market value has been established the 10% level of assessment for class 1 property under the Cook County Real Property Assessment Classification Ordinance.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
