

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Floody LLC
DOCKET NO.: 18-39965.001-R-1
PARCEL NO.: 29-15-218-009-0000

The parties of record before the Property Tax Appeal Board are Floody LLC, the appellant, by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,300
IMPR.: \$5,059
TOTAL: \$7,359

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,271 square feet of living area. The dwelling is approximately 61 years old. Features of the home include a crawl space foundation, central air conditioning and a 1.5-car garage. The property has a 6,572 square foot site and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood as the subject property. The comparables are improved with class 2-03 dwellings of frame, masonry or frame and masonry exterior construction that range in size from 1,166 to 1,462 square feet of living area. The homes range in age from 59 to 61 years old. Each

comparable has either a crawl space or concrete slab foundation. Two comparables have central air conditioning, one comparable has a fireplace and three comparables each have either a 1-car or a 2-car garage. The comparables have improvement assessments that range from \$2,175 to \$2,967 or from \$1.61 to \$2.54 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$2,478 or \$1.95 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,359. The subject property has an improvement assessment of \$5,059 or \$3.98 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood as the subject property. The comparables are improved with one-story class 2-03 dwellings of frame exterior construction that range in size from 1,120 to 1,345 square feet of living area. The homes range in age from 59 to 63 years old. Three comparables have basements, one with finished area and one comparable has a crawl space foundation. One property has central air conditioning, one property has a fireplace and each property has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$5,058 to \$6,539 or from \$4.13 to \$5.34 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #4 along with board of review comparables #1, #2 and #3 which have either no garage, a basement or a finished basement compared to the subject's 1.5-car garage and crawl space foundation.

The Board finds the best evidence of assessment equity to be the remaining comparables which have varying degrees of similarity to the subject in location, dwelling size and some features. These comparables had improvement assessments that ranged from \$2,175 to \$5,058 or from \$1.61 to \$4.13 per square foot of living area. Board of review comparable #4 is most similar to the subject and has an improvement assessment of \$5,058 or \$4.13 per square foot of living area. The subject's improvement assessment of \$5,059 or \$3.98 per square foot of living area falls just above the range on an overall basis and within the range on a per square foot basis as established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
